BRAND NEW!!!

Official Hubbard County Plat Books

The Hubbard County Soil and Water Conservation District (SWCD) is the new provider of Hubbard County Plat Books.

Proceeds collected from book sales will go directly toward fulfilling the mission of our district which is, *“To help preserve surface and ground water quality, encourage wise land-use decisions throughout the county, and to foster a secure and prosperous community with agriculture, tourism and industry working together in harmony for the general welfare of the people of the county.”*

Features:

- 8 ½” x 11” spiral bound
- Parcel ownership map
- Aerial photos
- Full color displays
- County road map
- Ownership index
- Snowmobile trails
- City maps
- Lake Maps
- Government Directory
