

# 2018 Irrigation Scheduler Management Contract

By signing this contract I am agreeing to participate in the 2018 Irrigation Scheduler Program offered by the East Otter Tail Soil and Water Conservation District.

**Producer Responsibilities:** In doing so, I agree to provide the information needed by my Irrigation Technician, including but not limited to:

- Weekly rainfall and irrigation amounts
- Timing of pesticide applications
- Crop emergence dates

**Services Provided:** I understand that my technician will make weekly visits to my enrolled field(s) and provide me with weekly soil moisture estimates through soil depletion graphs. Additionally, I understand that I will have access to daily evapotranspiration information. I also understand that I will receive a year-end report that includes a season-long summary of irrigation totals, rainfall amounts, and potential leaching events.

**Cost Schedule:**

- One field enrolled: \$200 per field
- Two or more fields enrolled: \$175 per field
- Automatic Rain Gauge or Soil Probe Rental (optional): \$50 per season

*\*NOTE: a field is defined as having only one crop on it.*
